CARFIX 5-POINT SEAT HARNESS

The **Carfix 5-Point Seat Harness** is a behavioural and postural support harness for those with limited upper body strength and support.

What is the function of the **Carfix 5-Point Seat Harness**?

The 5-point harness is used to ensure the occupant is in the correct position for the vehicle's seatbelt to work correctly. This product uses a front buckle with easy adjustable shoulder straps to help evenly distribute the load of the occupant and makes the harness easy to use.

FEATURES

-  Universal behavioural and postural belt system that can be used in any seat
-  Machine washable at 40°C

SPECIFICATIONS

-  **Carfix 5-Point Harness DOES NOT** replace the vehicle safety belt
-  Anti-submarining strap as standard

The **Carfix 5-Point Harness** is to be used in accordance with the vehicle's original seat and seatbelt; meaning it can be installed into a variety of vehicles without any modifications.

Our harnesses are quick to install and can be easily transferred from across vehicles.

BENEFITS

-  Ensures the occupants safety while travelling in the vehicle
-  No modifications to your vehicle
-  Quick and easy to install and transfer between vehicles

REQUIREMENTS It is a requirement to keep a **current** Doctor's Certificate in your vehicle when this Harness is in use in the vehicle
