

INDEPENDENT DRIVING VEIGEL PEDAL EXTENSIONS

INDEPENDENT DRIVING

VEIGEL PEDAL EXTENSIONS

The **Veigel Pedal Extensions** can be used to assist the user with their driving capabilities. By adding extra reach to the control pedals of a vehicle, this product ensures everything can be operated safely and accurately.

Pedal extensions reduce the distance to the pedals by 50 to 100 mm. They are individually adjustable. Removable within seconds, without the use of tools. Installation sets tailored to your needs.

FEATURES

-  Easily removable in seconds without the use of tools.
-  Fits most vehicle types.

BENEFITS

-  Assists with controlling the vehicle.
-  Can be installed and removed by the user.
-  Can be paired with other Veigel products.
